

A FINE REGENCY FULL-REGISTER GRATE

A fine Regency full register grate with ceramic panels. The ceramic panels are adorned with gold lattice-work framed with a pink border, set between bold brass mouldings. The removable front basket is formed in polished wrought-iron and positioned on the polished reflector plates, in front of a Regency reeded fire enclosure. The vibrant colours are typical of the Regency period. Restored.

Circa 1830

SKU: UN2130 | Category: [Antique Full & Half Register Grates](#) | Tag: [Regency](#)
