

A LARGE ORNATE BRASS FIRE SCREEN

A large ornate brass fire screen with reed and berry moulding, acanthus leaf feet. The front is divided into three sections by the moulding with brass supports at rear. Scrolled leaf brass handle. Original fine spark mesh with small dents and losses consistent with age. This will not affect the function and barely affects the appearance. Restored.

Circa Twentieth century

SKU: AR2330 | Category: [Antique Fenders & Fire Screens](#) |
