

**A PAIR OF BAROQUE-REVIVAL SILVER-PLATED ANDIRONS**

A Pair of English Baroque-Revival Andirons

A beautifully-made pair of English Baroque-revival andirons, with foliated tiered urns surmounted by flame-topped finials. The substantial base supports with central oval and scrolling foliage in the form of acanthus leaves supported on paw feet. Brass and silver-plated with good patina. Restored.

Depth at feet: 22 1/2"

SKU: EB26210 | Category: [Antique Andirons and Fire Dogs](#) |
