

ENGLISH ENGRAVED BRASS FIRE GRATE (SOLD)

An English Adam-style polished brass fire grate (by Thomas Elsley). The intricately pierced serpentine fret is extensively engraved with floral and dragon motif, set between square front tapered legs, with large brass urn finials uppermost. The fret work, wings and upper leg segments are framed with brass bead moulding. The shaped back-plate has urn and swag detail and a robust bevelled cast-iron fire-plate.
