

LARGE WROUGHT-IRON KITCHEN RANGE

A large wrought-iron kitchen range from Allerton Castle in Yorkshire. The iron range has a hinged top fire bar, three lower fire bars set on angle, between robust uprights topped with sphere finials. The hobsides are fixed; but would have originally been used to narrow the burning area. Full mechanical workings not present. Cast-iron fire back. Restored.

SKU: AN1560 | Category: [Antique Fire Grates](#) |
