THOMAS JECKYLL BRASS REGISTER (SOLD)

Polished brass Thomas Jeckyll register with black-iron reeded fire bars and guillotine drafting mechanism. From the foundry of Barnard, Bishop and Barnards, this Thomas Jeckyll register cast in brass represents the very highest quality in fine casting. The asymmetric floral design is typical of Jeckyll and gives a hand-built character to this early mass production technique. Restored.

Circa: 1870
